# Invitation

## Dear Friends and Colleagues,

On behalf of the Organizing Committee, we welcome you to the 23rd North Zone Conference of Indian Association of Preventive & Social Medicine on 2nd and 3rd November 2019 to be held at SHKM Govt. Medical College Nalhar, Nuh (Mewat), Haryana India. This two-day Scientific meet will include CME, Plenary Sessions, Orations and Scientific Sessions. We are going to have prominent speakers from across the country. The aim is to have ample time for discussions, deliver the best scientific material and provide crystal clear points to ponder. To encourage our young professionals we will organize PG Quiz touching almost every domain of public health.

With your support, we are determined to make this conference a grand success. We will not leave any stone unturned to make it a very comprehensive learning event. The team has already fastened their belts for the preparations. We are eager to welcome you to this mega scientific event NZIAPSMCON on 2nd and 3rd November 2019. We look forward to your esteemed presence in NZIAPSMCON-2019, Nuh (Mewat), Haryana. We are sure that this scientific extravaganza will be enriching and enlightening.

# Mewat Region, Institute and Department

Mewat is historically very important region takes its name from its inhabitants, the Meos. The region is spread over Haryana and Rajasthan, Its Haryana stretch includes district Nuh previously known as district Mewat and Hathin tehsil of district Palwal.

Shaheed Hasan Khan Mewati Government Medical College, is newly established Medical College of Govt. of Haryana and got 1st batch of 100 MBBS students in year 2013. It is situated about 3 Kms away from district headquarter Nuh in the village Nalhar. The college is situated at 30 Kms distance from Bhiwadi, 50 Kms from Gurugram and 65 Kms from IGI Airport, New Delhi. The nearest railway station is Palwal which is 35 Kms away from the institute.

Since the inception the Department of Community Medicine has aspired that Undergraduates and Postgraduates must achieve global benchmark in knowledge, attitude and communication. Besides this the Department is involved in various national health programmes to support the district health authorities for improvement of health indicators of district especially the Maternal Mortality Ratio and Infant Mortality Rate. Outreach healthcare activities are conducted on daily basis include antenatal checkup, immunization and School health scheme.
